Г

How to Register on ScienceDirect

- 1. Access to ScienceDirect (http://www.sciencedirect.com/)
- * From outside the campus, please create an account not by VPN first and then sign in via VPN once.
- 2. Click "Register" at the top of the page

Fill out the form and click the button [Create $>$]	* ScienceDirect and Scopus have common user ID / PW. If you have a Scopus account, please use it.
Create an account Sign in	
First name Family name	1. Fill in your first and family name.
Email	2. Fill in your Email address.※ Email address will be your User Name
Password	3. Set your password.
By creating an account you agree with Elsevier website terms and conditions and Privacy Policy.	

4. When you forget your password, you can reset it from "Sign in" page.

Password resetting mail is in HTML format. If you use Active! Mail, press the "HTML View" button.
