

2020年度後期 講義概要

授業科目名	英語実習 I b
主担当教員名	Richard Hodge
配当学年 等	看護学科第1学年 (1~30)
学習目標	The goals for this course are: -to develop an ability to communicate with a diverse range of people in English. -to distinguish between different styles of writing including academic, formal and informal correspondence by letter and email, and narratives. -to acquire skills for quickly understanding the gist of written and spoken English. -to be able to respond appropriately to different types of written and spoken English. -to develop autonomy in language study for life-long learning.
授業概要	Students will mainly be engaged in speaking and listening activities, with some reading and writing. Speaking activities will take place in pairs and small groups to increase opportunities for practice and to build confidence. Students will also read, write, and listen to English online (e-learning) during class time and as homework.

授業形式・ 視聴覚機器の利用	A student-centered approach will be used to activate students' existing knowledge of English.					

評価方法	Students will be evaluated according to their attendance and lesson participation (30%), completed assignments and tests (30%), and the final exam (40%). The final exam will consist of writing and listening sections based on content studied during the course. Students who are absent from more than 30% of the classes will be disqualified from taking the final exam. Normally, a score of at least 60 points on the final exam is required to pass the course. However, students who lose points for incomplete or late assignments during the semester may be required to score well above 60 points on the final exam to pass the course.
教科書・ 参考文献	Prints will be supplied by the teacher. Instead of a textbook, students are required to bring a folder with all course prints and written assignments to each lesson.
